START DATE:	END DATE:				

The application is subject to the following general terms and condition, in conjunction with the terms outlined in the Corporation of the Township of Dubreuiville By-Law 2023-40.

- 1. Permittee shall keep this permit at the site of the burning operation conducted under this permit.
- 2. Permittee shall ensure that a fire ban is not in effect.
- 3. Permittee agrees to all rules and regulations in the "Open Air Burning" By-Law No. 2023-40 and which are not limited to only those which appear on this permit.
- 4. Only clean dry wood may be burned. No materials such as "household waste", petroleum products, tires or any other products which may be harmful to the environment may be burned.
- 5. "Open Air Burn" must not be conducted in winds 15 km/hr or more, when conditions prevent ready dispersion of smoke.

- 6. "Open Air Burn" must be supervised at all times by a competent person until completely extinguished.
- 7. Permittee shall have on location sufficient personnel and firefighting equipment in serviceable condition to control and extinguish the fire.
- 8. The permittee assumes full responsibility when conducting the "Open Air Burn" and acknowledges responsibility of controlling it as well as costs incurred by the fire department if the fire is required to be extinguished as per this by-law.
- 9. This Permit shall not take the place of any permit or license required by any other Federal or Provincial statute or regulation, and all open air burning shall be conducted in accordance with applicable regulations.

APPLICANT STATEMENT

I, the undersigned, confirm and agree to abide by ALL relevant provisions of the Open Burning By-Law of the Municipality, and all other applicable legislation of the Open Burning permit. I/We further acknowledge that The Corporation of the Township of Dubreuilville may revoke this license at any time.

I certify that all statements are correct and understand that any false statements shall cause this permit to be revoked.
