The Community Improvement Plan for Economic Growth (CIPEG) for the Corporation of the Township of Dubreuilville was initiated by the Township team and the Corporation du Développement Économique et Communautaire de Dubreuilville (CDEC) and supported and approved by the Municipal Council. The CIPEG was developed and implemented by John Febbraro of N1 Strategy Inc., Christine McGoldrick – Economic Development Officer with the assistance of the Township team, Mayor and Council and CDEC Board of Directors.

The programs within CIPEG were a result of the development and implementation of the Strategic Plan titled “Dubreuilville Strategic Action Plan 2019-2024 and Beyond”. This plan was developed by Mayor Beverly Nantel, Municipal Council, and Champion Citizens with the assistance of Melanie Pilon, Economic Development Officer and by Jean-Charles Cachon, Professor, Faculty of Management, Laurentian University, and Students, Summer Ashamock-Butterfly, Nathalie Lanthier, and Joelle Mavungu.

It is our belief that the many contributors provided great value to the development of this plan and other related documents, reports, studies and plans. The CIPEG provides very intuitive program incentives to business owners and citizens for the purpose of community revitalization and encouraging economic prosperity in the Township of Dubreuilville for the foreseeable future.

Introduction

The Corporation of the Township of Dubreuilville Strategic Plan 2019-2024 was carried out in 2018. The Strategic Plan was developed with the thought of how the citizens of Dubreuilville envision the future and have determined to shape it in such a way that it can continue to transform itself. Future developments at social, economic, educational, health care, recreational, and community level will contribute to the continued prosperity of Dubreuilville citizens.

Other documents/reports that were developed and taken into consideration in developing the CIPEG include: Digital Transformation Report, Municipal Service Delivery Review, Emergency Response Plan, Asset Management Plan, Dubreuilville Drinking Water System Annual Report, Labour Market Attraction Study and the Community, Economic & Mining Growth Action Plan.

Application Intake, Review and Approval Process

The Township Economic Development Officer will accept CIPEG applications on a regular basis to help facilitate development and rehabilitation expeditiously. The CIPEG Committee will meet as needed, or on an alternative schedule as agreed, and will review and render their decision based on the information provided. The CIPEG Committee Chair (CAO) will forward a report to Council highlighting the projects that were supported and/or rejected on an annual basis.

All applications that request funding on a yearly basis will be accepted, evaluated and determined on a first-come first-served basis. All funds committed in any one year (based on the calendar year) will be assumed to be drawn down from the annual funding limit for the CIPEG as whole during the year of approval for funding. Each CIPEG program will have an approved annual budget. If one program requires a higher budget due to one program being utilized more than others, the CIPEG committee will have the right to move the budget allocation from an underutilized program. Council will be informed of those decisions via the annual report.

The annual CIPEG program funds that have been approved by Council will be adhered to by the CIPEG Committee and will not exceed the 50% of eligible costs or stated funding caps. Funding limits are as described under each individual program.

The intake will follow a three-stage approach:

Stage 1 – Pre-consultation and Application Submission

- It is important to have a pre-consultation meeting with the applicant and Economic Development Officer to discuss the intent of the project, screen the application if the intent of the CIPEG program being applied to is in compliance with minimum eligibility requirements and ensure that any supporting documents required by the Corporation of the Township of Dubreuilville are discussed with the applicant;
- Economic Development Officer will provide comments on the project eligibility during the consultation meeting to ensure the applicant understands all necessary requirements before submission;
- Eligible applicant will then submit an official completed application.

Stage 2 – Application Review and Evaluation

- CIPEG Committee will review the application;
- CIPEG Committee will also evaluate and determine if the project meets the CIPEG guidelines and objectives of the program;
- CIPEG Committee will render a decision and will be part of the annual report to Council.

Stage 3 – Application Approval and Disbursement of Funds

- The EDO will notify the applicant via letter or email regarding the committee decision;
- If the application is approved, an agreement is executed between the Township of Dubreuilville and the applicant;
- The applicant notifies the Economic Development Officer that the tasks as outlined in the agreement are completed;

-
- The Chief Building Official will conduct a site visit inspection to ensure the work as outlined in the agreement is completed and as per building permit;
 - Prior to any of the CIPEG program funds being released to the applicant, the Township of Dubreuilville will require final paid invoices of all eligible costs to be submitted.
